

Thank you for your interest in the Teaching and Learning Exploratory (TLE).

The TLE features videos from the Measures of Effective Teaching Extension (METX) project.

Features of the Teaching & Learning Exploratory

Collections of Authentic Classroom Videos

- 1 Over a thousand full length classroom sessions from diverse locations
- 2 K-12 classrooms, covering core subjects such as mathematics, language arts and more
- 3 Multiple camera angles show teaching and learning from the perspective of the students and teacher

Tools to Open the Power of Videos

You may want to simply find and play one classroom video, or you may need to search hundreds of videos and then make clips and combine a compiled movie with slides and exercises. Our tools are here to help you.
